Chapter 2 by Ihm Hennessy

"Goodbye forever", those are words I'll never forget. I was lied to and hurt and those words set me free of the cage I was trapped inside. When I first met Dante he was my Heaven and Earth. I told myself nothing would ever be the same, and boy was I right.

Chapter 3 by Sadie Fleischman

Dante was a kind, gentle loving man. I knew that the moment I met him. I knew I had a bond with him the moment we met. I wish my brother was here to this day. He would've helped me in this situation, but he died three years ago, due to a gun shot wound to the ribs and no doctor helped him. They should have saved him! THEY SHOULD HAVE! It's their jobs to do so. It's not my fault he's gone, it's their's. I miss him dearly. His name was Cole, our last name was Shroder. We were a strange, mysterious family.
